

PROGRILL™

Perfect Tortillas Every Time

TW2025 Tortilla Warming Flat Grill

The ProLuxe Tortilla Warming Flat Grills gives your staff super-easy access to delicious tortillas every time. This easy-to-use non-mechanical grill comes with a Limited Lifetime Warranty on our patented embedded heating element technology. Our embedded heating elements gives you longer life expectancy and even heat distribution. This flat grill gives your quicker heating and recovery.

Product Features:

- Fully automated, easy-to-operate on/off switch
- Temperature control located on front with easy to operate functionality
- Powerful heating technology offers heat variability between 100 degrees and 425 degrees F.
- 20" by 25" special heavy-duty coated surface
- Embedded patented heating element creates even heating distribution and easy access for cleaning
- Embedded heating element is covered by our exclusive ProLuxe Limited Lifetime Warranty

In addition to the quality execution and unique customization capabilities, our expert technical support team supports the Tortilla Warming Flat Grill. We are available 24 hours a day/7 days a week to answer any questions and provide you with great, no-debate service support.
